

Publications Committee

15 avril 2026

The COSPAR Publications Committee provides oversight on COSPAR Publications **Advances in Space Research (ASR)**, **Life Sciences in Space Research (LSSR)**, and **Space Research Today (SRT)**, and on COSPAR relationships with its Publisher Elsevier. Its members are appointed from among COSPAR Associates interested in this activity, with consideration of a balanced representation of the various scientific disciplines of space research, for a term of four years renewable once.

Chair:

Pietro Ubertini (Italy), 2019 – 2023
