

Vikram Sarabhai Medal

15 avril 2026

This medal is awarded jointly by the Indian Space Research Organization (ISRO) and COSPAR in honor of Vikram Sarabhai, considered one of the architects of modern India. The medal is awarded for outstanding contributions to space research in developing countries. For a candidate to be eligible for this award, her or his relevant work must have been carried out mainly in the five year period ending one year before the COSPAR Scientific Assembly at which the medal is to be presented. This medal is open to candidates from any country.

Anil Bhardwaj
