

Program Committee

20 mai 2019

The COSPAR Scientific Assembly Program Committee (PC) consists of a Chair appointed by the Council for each biennial meeting and the Chairs of COSPAR Scientific Commissions (SC) and Panels (P). The PC oversees the construction of the scientific program for each Assembly. For the list of members of the PC for the forthcoming Scientific Assembly, see https://www.cospar-assembly.org/show_infopage.php?info=32
